Yeah, I'm alright.

She's leaving, but I'm only two steps behind.
So, I guess I'm leaving... tonight.

Did she take it all away?
Is there nothing I can say?

Did she take it? Take it! take it! (tell me)
Did she take it?

Did she take it all away?
Is there nothing I can say?
Yeah
Did she take it? Take it! take it! (tell me)
Did she take it? Take it! take it! (tell me)
Did she take it? Take it! take it! (tell me)
