

5 Seconds Til The End

Locnville

You don't wanna know
How much I've been tryin
And who would wanna know
that inside I'm dying

If we only got 5 seconds til the world ends (5x)
Only got 5 seconds
Yep we've only got 5 seconds til the world ends.
If we only got 5 seconds til the world ends (3x)

I don't wanna know
How much I've been missing
And I don't wanna know
How far you feel distant
You felt so cold even with the sunrise
I never really told you
that I only know sometimes
I guess I never showed you
how much i still love you
I never gonna know you
but I'll never run from you
I want you to know, know, know
what I should've said long ago
I want you to go, go, go
run and tell everybody that you know

That we only got 5 second til the world ends
If we only got 5 seconds til the world ends (3x)
only got 5 seconds
Yep we've only got 5 seconds til the world ends.
If we only got 5 seconds til the world ends (3x)

I feel like there's a few hours keep ticking by minutes
deja vu
Hey when the night gets colder
eyes get bolder
my mind says hold up wait
Could this be over looking closer
ticking slower wait
And the day's been sober
paging over the books that show my, wait
You can find me by the sunrise, hey
I'll be on and out of sunshine, hey
And I know that I deserved my,
like I just woke up and I'm living for the first time

Do you wanna know...
That we only got 5 seconds (2x)

Yep we've only got 5 seconds til the world ends.
If we only got 5 seconds til the world ends (3x)
Yep we've only got 5 seconds til the world ends.
If we only got 5 seconds til the world ends (3x)

The correct answer is...
What (4x)
