

Now if you feeling how I'm feeling put your hands up high
If you feeling how I'm feeling put your lighters in the sky

Now if you feeling how I'm feeling put your hands up high
If you feeling how I'm feeling put your lighters in the sky
I'll be damned if I ain't living the life I always wanted
Started from the bottom as a youngin' gettin' blunted
Now I run it like a marathon, ho
Yeah it's on, ho
Hits motherfucker, hits Barry Bonds, ho
In the studio for twenty two days
I'm too paid
Might fuck around and kick flip in my new J's
I got a show in Paris then Tokyo so I'm lu paid
Fucked a shorty in Paris I'm getting crème brûlée

Fuck a 9 to 5
I'm too alive for the real world
Never die in the real world, lie in the real world
Everything ain't what it seems
When you following your dreams

How you feeling, ho?
I'm making a killing, ho, really doe
Talking all that shit behind my back just Like a silly (Ho)
Had a dream Dr. King
Now that money ain't a thing
I've been through a lot of pain, looking like we overcame!
Goddamn! Life just ain't the same, all ya'll know my name
Fuck the fame, Maryland where I came
Broke up in the game, and it feels good, good, real good, good
Now we livin' in the hills pissing off the neighborhood
It's just me Castro and 6ix, going crazy in this bitch
Plus my homie Jon
And the whole RattPack you know we on
Livin the life of a don
While my homie Slay roll up the swisher
I get richer while they hate, watch the Money Gravitare
Finally eatin' grab a plate
Hell yeah that's sounding great
I've been high, I been low, but there's one thing that I know:
It's been a long time coming now my whole team got it
And if you hatin' suck a dick and bitch about it

You know it's funny doe, man, white people be frontin'
And you ever noticed like you'd be the only nigga some place
And you go where white people, they be like:
"You wanna move out of the way fellas? Excuse me, thank you very much - taki
ng up all the fucking area, Jesus Christ!"
I love when white dudes get mad and cuss
Cause y'all are some funny motherfuckers when you cuss!
They be saying shit like "Alright cut the shit! Facking jerk off!"
