

We are, we are, we are, we are
I'm just tryna live my life
I'm just tryna do what's right
I'm just tryna gain insight
I'm not tryna sleep all through the day and get up at night
I'm tryna do it right
Can somebody show me the light?
I'm just tryna live my life
I'm just tryna do what's right
I'm just tryna gain insight
I'm not tryna sleep all through the day and get up at night
