

Sunshine

Lollipop

NA NA NA...

NA NA NA...

NA NA NA...

Me and you together, i don't believe will be all right
There is no time however, i cannot be by your side

'Cause i know that now my days again...could be better
And my life will start again without your love or ever

With the sunshine in my mind,
Over the time, i will be stronger you will never let me down

With the sunshine in my eyes,
Burning like fire, i'm sure you'll never let me, never let me down

NA NA NA...

NA NA NA...

NA NA NA...

Seven nights together i remember when you cried
Then you said "however" and i lost my fragile time

Now i dream about a sky of sadness, i wonder "never"!
So you can tell me why you thought your choice was true and clever

With the sunshine in my mind
Over the time, i will be stronger, you will never let me down

With the sunshine in my eyes,
Burning, like fire, i'm sure you'll never let me, never let me down

With the sunshine in my mind
Open your eyes, i will be stronger, you will never let me down

With the sunshine in my life
Burning like fire, i'm sure you will...never let me, never let me down
