

## Hey Now

London Grammar

Hey now, letters burning by my bed for you  
Hey now, I can feel my instincts here for you, hey now  
By my bed for you, hey now, hey now

Uhu, you know it is frightening  
Uhu, uhu, you know it's like lightning  
Hey now, now,

Hey now, letters burning by my bed for you  
Hey now, leave it to the wayside like you do, for you  
Imagination calling mirrors for you  
Hey now, hey now

Uh, you know it is frightening  
Uhu, uhu, you know it's like lightning now now now now  
Hey now, now, hey now, now  
Hey now, now.  
Hey now, now.  
Uhu, uhu, uhu, uhu, uhu.
