

# Who Am I

## London Grammar

There is life in the dark  
So small but there you are  
Hand in hand, this life, you are  
Something I can't understand  
Endless thoughts, they get ahead  
Blue against my better sense  
I am trying my best  
To fit in with the rest

Who am I, who am I to want you now you're leaving?  
Who am I, who am I, who am I to judge you now you're leaving?

Who am I?  
Who am I?  
Who am I?  
Who am I?

All my love in the dark  
Be close but miles apart  
And I am trying my best  
To fit in with the rest

Who am I?  
Who am I?  
Who am I?  
Who am I?

Who am I, who am I to want you now you're leaving?  
Who am I, who am I, who am I to judge you now you're leaving?

Who am I?  
Who am I?  
Who am I?  
Who am I?
