

I've Been Thinking About You

Londonbeat

We must have been stone crazy
And we thought we were just friends
Cause I miss you baby
And I've got those feelings again

I guess I'm all confused about you
I feel so in love
Oh baby
What can I do?

I've been thinking about you
I've been thinking about you
I've been thinking about you, oh yeah
I've been thinking about you
Shi pow pow

Hey, suddenly we're strangers
I watch you walking away
She was my one temptation
Oh I did not want her to stay

Deep down I'm still confused about you
Oh, yes I am baby
I feel so in love
Oh baby, what can I do

I've been thinking about you
I've been thinking about you
I've been thinking about you
Oh yeah
I've been thinking about you
I've got you on my mind

I've been thinking about you
I've been thinking about you
I've been thinking about you
Oh, thinking about you
I've got you on my mind
Shi pow pow

Shi pow pow
Hey, what good is being here without you
I want to know
I feel so in love
Oh baby, what can I do?

I've been thinking about you
I've been thinking about you
I've been thinking about you, oh yeah
Yeah, I've been thinking about you

Oh baby, I've been thinking about you
Got you on my mind
I've been thinking about you
Think about you baby
I've been thinking about you
I've been thinking about you

I've been thinking about you
I've been thinking about you
Girl yeah
I've been thinking about you
Thinking about you
Think about you

I've been thinking about you
Think about you
Think about you, baby
Think about you
Think about you, oh
I've been thinking about you
Thinking about you
Ha ha ha, yeah
Thinking, thinking, thinking about you
Thinking, thinking about you
Come on, come on, baby
