The Gift

Lone Justice

You can trip smug smiling in your worn-out shoes Cast away the rhythm of eternity's fugue Grapple with the tongue of hope till it abandons you But you can't deny a gift

Falter at the well, making heroes out of ghosts Stuffing yourself on thankless boasts But I have faith in your withering soul 'Cause you can't deny a gift Oh, no, you can't deny a gift

A gift of one and a gift to all
The wings to soar and not to fall
A gift of light in the abyss
Higher ground above the pit
The choice to live that is a gift
That is a gift, that is a gift, that is a gift

Though this gift lacks frivolous flair
It doesn't sparkle in the sun and requires little care
It's one of volume enough to spare
Throw down defense and we will share
Throw down defense and we will share

A gift of one and a gift to all
The wings to soar and not to fall
A gift of light in the abyss
Higher ground above the pit
The choice to live that is a gift
That is a gift, that is a gift, that is a gift

A gift of one and a gift to all
The wings to soar and not to fall
A gift of light in the abyss
Higher ground above the pit
The choice to live that is a gift
That is a gift, that is a gift, that is a gift
That is a gift, that is a gift, that is a gift
