

Well I never should have turned my head  
To see some other lovely thing  
Walking pretty down the street  
'Cause just about that time my girl she realized  
Caught my eyes and busted me  
Now I'm back out in this bed I made face down in the dirt  
Beggin' to get my baby back, you think I would have learned

It's just another day in the dog house  
I better change my ways and my wandering eyes  
It's just another day in the doghouse  
Thinking this is probably where this dog is gonna die

I stumbled in at 3am  
After poker night with my friends  
She was waiting up and angry  
I said honey I lost track of time, not to mention every dime  
That I had on me  
Now I'm back out in the yard and sad and all alone  
If you find forgiveness in your heart just throw this boy a bone

It's just another day in the dog house  
I better change my ways and my wandering eyes  
It's just another day in the doghouse  
Thinking this is probably where this dog is gonna die

Now I'm back out in this bed I made face down in the dirt  
Beggin' to get my baby back, you think I would have learned
