

# I Love the Way You Do That

Lonestar

Talk about a sweet situation  
Girl you've got me in one  
You can lock me in your heart  
And throw away the key  
We can get a little fire going  
Let burn it all night

'Cause I love the way you do that  
It makes me want you so bad  
And baby you can do that  
Anytime at all  
Fingers on my skin  
Your doing it again  
I love the way you do that, do that

If you doubt my love and affection  
Girl I'm gonna show you  
I ain't holdin' anything back  
You can have it all  
You're wrapping me around you finger  
And I don't want you to stop

'Cause I love the way you do that  
It makes me want you so bad  
And baby you can do that  
Anytime at all  
Fingers on my skin  
You're doing it again  
I love the way you do that, do that

Well I can see it in your eyes  
You can probably read my mind  
Oh you know just exactly what I want

I love the way you do that  
It makes me want you so bad  
And baby you can do that  
Anytime at all  
Fingers on my skin  
You're doing it again  
I love the way you do that, do that

I love the way you do that  
It makes me want you so bad  
And baby you can do that  
Anytime at all  
Fingers on my skin  
You're doing it again  
I love the way you do that, do that

I love the way you do that  
It makes me want you so bad  
And baby you can do that  
Anytime at all  
Fingers on my skin  
You're doing it again
