

I Miss When

Lonestar

Your heart's been broken, you don't wanna open up to me
But can't you see
All that you're needing is someone to believe in you
And when you are no longer afarid
Darlin' I'll be just one word away

Say when, I'll be there by your side
For a day, for a year, for the rest of my life
I know you're not ready
But someday your heart's gonna mend
I'll give you love without end
Say when

Could be tomorrow, maybe a little farther down the road
Your heart will know
My love is timeless and you're gonna find it's true
And no matter how long it takes
If it means holding you I can wait

Say when, I'll be there by your side
For a day, for a year, for the rest of my life
I know you're not ready
But someday your heart's gonna mend
I'll give you love without end
Say when

I know you're not ready
But someday your heart's gonna mend
I'll give you love without end
Say when, say when
