

## I Miss When

Lonestar

Your heart's been broken, you don't wanna open up to me  
But can't you see  
All that you're needing is someone to believe in you  
And when you are no longer afarid  
Darlin' I'll be just one word away

Say when, I'll be there by your side  
For a day, for a year, for the rest of my life  
I know you're not ready  
But someday your heart's gonna mend  
I'll give you love without end  
Say when

Could be tomorrow, maybe a little farther down the road  
Your heart will know  
My love is timeless and you're gonna find it's true  
And no matter how long it takes  
If it means holding you I can wait

Say when, I'll be there by your side  
For a day, for a year, for the rest of my life  
I know you're not ready  
But someday your heart's gonna mend  
I'll give you love without end  
Say when

I know you're not ready  
But someday your heart's gonna mend  
I'll give you love without end  
Say when, say when
