

# If It Wasn't for You

Lonestar

Can't help but think sometimes  
Baby bout you and I  
What if we never met  
That thought scares me to death  
Rewind to that first look  
That little chance you took  
Sure walked out on a limb  
Oh Thank God You Did  
Knowing what I'd do  
If it wasn't for you

I wouldn't know what love is  
I'd still be walkin' round  
Looking into strangers faces  
Part of a lonely crowd  
I'd still be dreamin dreams that never come true  
If it wasn't for you

I wouldn't know what it means  
To have everything  
Someone that has my heart  
No matter where they are  
I wouldn't know what it's like  
To go to sleep each night  
Lying here in the dark  
The whole world in my arms  
Feeling the way I do  
If it wasn't for you

I wouldn't know what love is  
I'd still be walkin' round  
Looking into strangers faces  
Part of a lonely crowd  
I'd still be dreamin dreams that never come true  
If it wasn't for you

If it wasn't for you

I wouldn't know what love is  
I'd still be walkin' round  
Looking into strangers faces  
Part of a lonely crowd  
This house wouldn't be a home  
It'd be just doors and walls  
Wouldn't know the sound of laughter  
Runnin' up and down these halls  
I'd still be dreamin' dreams that never come true  
If it wasn't for you

Noooooooooo

If it wasn't for you

Nooooooooo
