Keys to My Heart

Here's the keys to my heart Honey drive me crazy Take me anywhere you want to go Here's the keys to my heart Honey drive me crazy Fill it up with love and let it roll

I gotta admit it's been wrecked a time or two A little T.L.C. and it'll be brand spanking new Honey slide on in, I'll let you take it for a spin You'll like the way it feels when you get behind the wheel

Here's the keys to my heart Honey drive me crazy Take me anywhere you want to go Here's the keys to my heart Honey drive me crazy Fill it up with love and let it roll

If you hear little knocking it might be skipping a beat When it's hugging those curves, it just might overheat It's got a lifetime guarantee, a hot rod built for speed So go ahead and let if fly, you'll love the way it rides

Here's the keys to my heart Honey drive me crazy Take me anywhere you want to go Here's the keys to my heart Honey drive me crazy Fill it up with love and let it roll

Here's the keys to my heart Honey drive me crazy Fill it up with love and let it roll
