

Not a Day Goes By

Lonestar

Got a picture of you, I carry in my heart
Close my eyes to see it, when the world gets dark
Got a memory of you, I carry in my soul
I wrap it close around me, when the nights gets cold

If you asked me how I'm doing
I'd say just fine
But the truth is, baby
If you could read my mind

Not a day goes by
That I don't think of you
After all this time
You're still with me it's true
Somehow you remain
Locked so deep inside
Baby, baby, oh, baby
Not a day goes by

I still wait for the phone
In the middle of the night
Thinking you might call me
If your dreams don't turn out right
And it still amazes me
That I lie here in the dark
Wishin' you were next to me
With your head against my heart
If you asked me how I'm doing
I'd say just fine
But the truth is, baby
If you could read my mind

Not a day goes by
That I don't think of you
After all this time
You're still with me it's true
Somehow you remain
Locked so deep inside
That baby, baby, oh, baby
Not a day goes by

Minutes turn to hours
And the hours to days
Seems it's been forever
That I've felt this way

Not a day goes by
That I don't think of you
After all this time
You're still with me it's true
Somehow you remain
Locked so deep inside
Baby, baby, oh, baby
Not a day goes by
That I don't think of you
