

# Not a Day Goes By

Lonestar

Got a picture of you, I carry in my heart  
Close my eyes to see it, when the world gets dark  
Got a memory of you, I carry in my soul  
I wrap it close around me, when the nights gets cold

If you asked me how I'm doing  
I'd say just fine  
But the truth is, baby  
If you could read my mind

Not a day goes by  
That I don't think of you  
After all this time  
You're still with me it's true  
Somehow you remain  
Locked so deep inside  
Baby, baby, oh, baby  
Not a day goes by

I still wait for the phone  
In the middle of the night  
Thinking you might call me  
If your dreams don't turn out right  
And it still amazes me  
That I lie here in the dark  
Wishin' you were next to me  
With your head against my heart  
If you asked me how I'm doing  
I'd say just fine  
But the truth is, baby  
If you could read my mind

Not a day goes by  
That I don't think of you  
After all this time  
You're still with me it's true  
Somehow you remain  
Locked so deep inside  
That baby, baby, oh, baby  
Not a day goes by

Minutes turn to hours  
And the hours to days  
Seems it's been forever  
That I've felt this way

Not a day goes by  
That I don't think of you  
After all this time  
You're still with me it's true  
Somehow you remain  
Locked so deep inside  
Baby, baby, oh, baby  
Not a day goes by  
That I don't think of you
