

# Oh Yeah

Lonestar

Back in the day we were just kids  
Pawnshop guitars and big ideas  
Moving paint cans and setting up amps  
Two car garage ready to jam

We butchered Sweet Home and Smoke On The Water  
Thought we were cool couldn't get any hotter  
When the pretty girls on the block would come watch us play  
We could hear em say

Yeah Yeah Yeah oh Yeah  
We could hear em say  
Yeah Yeah Yeah oh Yeah

Those good ol days turned into nights  
From smokey bars to our name in lights  
From a van to a bus playing sold out shows  
A million miles down a million more to go  
Having more fun than the law should allow  
Twenty years later you can still hear the crowd scream  
Let us hear ya sing

Yeah Yeah Yeah oh Yeah  
Let us hear ya sing  
Yeah Yeah Yeah oh Yeah

To the crew setting up and tearing it down  
Busting there butts on our little playground  
Thank you boys for another great show  
And to all the fans we want you know

Will never forget cause we know it's true  
We wouldn't be here if it wasn't for you  
Before we leave tonight tonight to rock another town  
Come on and sing it loud

Yeah Yeah Yeah oh Yeah  
Come on and sing it loud  
Yeah Yeah Yeah oh Yeah

And Monday morning when ya go to work  
You can say ya got the t-shirt  
Yeah
