

# One of those Nights

Lonestar

Have you ever had one of those days  
When you wake up feeling good  
So good that you can take the whole world on  
Or one of those days when you just know no matter what  
Nothing in the world could go wrong

Well, that's the way I feel this morning  
But, baby, I just gotta say  
I always have one of those days

After one of those nights, just like last night  
Oh, my, what a beautiful thing, just you and me  
Those tangled sheets were wrapped around us  
Baby, thanks to your love it was one of those nights  
That leads to one of those days  
That leads right to one of those nights

Have you ever had one of those smiles  
You just can't wipe away the sweet anticipation's too strong  
One of those smiles you wear all day  
Cause you can taste the kiss of passion waiting back home

Well, that's the one I'm wearing right now  
But, baby, you always leave one of those smiles on me

After one of those nights, just like last night  
Oh, my, what a beautiful thing, just you and me  
Those tangled sheets were wrapped around us  
Baby, thanks to your love  
It was one of those nights that leads to one of those days  
That leads right to one of those nights

Oh, one of those nights, just like last night  
Oh, my, what a beautiful thing, just you and me  
Those tangled sheets were wrapped around us  
Baby, thanks to your love it was one of those nights  
One of those nights, just like last night  
Oh, my, what a beautiful thing, just you and me  
Those tangled sheets were wrapped around us  
Baby, thanks to your love  
It was one of those nights that leads to one of those days  
That leads right to one of those nights  
One of those nights  
Oh, one of those nights, just like last night  
Oh my what a beautiful thing, just you and me  
Those tangled sheets were wrapped around us  
Baby, thanks to your love  
It was one of those nights, just like last night  
Oh, my, what a beautiful thing, just you and me  
Those tangled sheets were wrapped around us  
Baby, thanks to your love it was one of those nights
