

All I Really Want

Loona

You say it's time to leave
Baby I just can't believe
Cause you are the sunshine of my life
Baby you make me smile
You make me feel so good
I can't stand you being away
It's like forever and a day

All I really, really want is you and me together
All of our dreams are coming true
All I really, really want is you and me forever
All I really, really want is you

When I look in your eyes
You take my breath away
Baby it is like a dream
Don't you leave me now and stay
Cause you're the one who makes me smile
You make me feel so good
I can't stand you being away
It's like forever and a day

Baby when I close my eyes
I still feel you deep inside
Tell me what you want me to do
All I really want, all I really want is you
