

Escuchame (Ai, Ai, Ai)

Loona

i`m done with loving you
i`ve been wasting my time
my precious time on you
i`m gonna walk away
walking far away
i don`t have anything
more to say

ooo, how could you lie to me, tell all
those things i did belive frome you
o, ooo how could i ever think that you`re
the one, that you`re the one for me

ai, ai, ai, escucha me, y deja me vivir en paz
ai, ai, ai, mira me, mi corazon partido esperando porti

to hang around and wait for you
was all what i did. how could
i be such a fool with you
i wanted to take, wanted to take a run
but now i finally see that you`re not the one

ooo, how could you lie to me, tell all
those things i did belive frome you
o, ooo how could i ever think that you`re
the one, that you`re the one for me

ai, ai, ai, escucha me, y deja me vivir en paz
ai, ai, ai, mira me, mi corazon partido esperando porti
ooo my love, you don`t belong to me
i don`t need you any longer
ooo i`m loosing love
i`m too too good for you

ai, ai, ai, escucha me, y deja me vivir en paz
ai, ai, ai, mira me, mi corazon partido esperando porti
