

# Navidad

Loona

another year it's christmas  
we waited all year long until this day  
little lights are shining  
and all the problems seem so far away

ooo i see the childrens faces  
excited for the gifts they will recieve  
ooo you see the people smiling  
can you hear the jingle bells

navidad, navidad  
ooo it should be christmas everyday  
navidad, navidad  
ooo it should be christmas everyday

when you're looking through the windows  
you see familys in harmony  
but it is sad to know that  
there are also people who feel so alone

ooo i hope that santa claus will  
bring a shining light to all of them  
maybe he can bring a box of  
happiness and love to them

navidad, navidad  
ooo it should be christmas everyday  
navidad, navidad  
ooo it should be christmas everyday

navidad, navidad  
ooo it should be christmas everyday  
navidad, navidad  
ooo it should be christmas everyday

the day will come,  
there is peace on earth for everyone  
and not only for just one day  
having peace, isn't that  
what we all want  
let us pray for a better world

navidad, navidad  
ooo it should be christmas everyday  
navidad, navidad  
ooo it should be christmas everyday
