

## Prince Of Love 2008

Loona

Can you tell me where you are?  
I'm searching you, but I can't find you - nowhere.  
When I look up to the sky.  
The moon is telling me,  
One day you will be mine.  
So just send me, a heavenly sign of love  
No don't worry, I'll receive it from above.  
You just send me, you're heavenly sign of love.  
I wait all over, until you be my Prince of Love.
