

# Tormenta En Mi Corazon

Loona

Aaaaaiah tormenta en mi corazon  
Aaaaaiah can anybody help me out

Look what we've become  
Thought we had it, we had it all  
But now look our love's destroyed  
Can't we fight for a little more

Aaaaaiah tormenta en mi corazon  
Aaaaaiah can anybody help me out

Can anybody tell me that (esperanza es lo ultimo que se pierde)  
This is just a dream (viento gelido pasa por mi mente)  
Tomorrow I will wake up and (en un momento senti)  
Things are like before (tormenta en mi corazon)

If you can't decide, take your  
Time I can give you all but don't go  
Don't go away let us fight for  
An open shore

Aaaaaiah tormenta en mi corazon  
Aaaaaiah can anybody help me out

Can anybody tell me that  
This is just a dream  
Tomorrow I will wake up and  
Things are like before
