

Una Noche De Amor

Loona

Wherever you go,
I want you to know
is it wrong it is right
oh please come closer
your voice on the phone,
don't know where to go
I'm waiting here all night I'm so alone

ever since the night we met,
something I could not forget
love as an eternal flame
tell me is this love

una noche de amor una noche passion
can I have this love forever
oh baby let me know
una noche de amor una noche passion
can I have this love forever
oh baby let me know

I call out your name,
you make me escape
let's celebrate our love
just for this moment
the feeling remains,
I need your embrace
lay your hand on mine and
make it stronger

ever since the night we met,
something I could not forget
love as an eternal flame
tell me is this love

una noche de amor una noche passion
can I have this love forever
oh baby let me know
una noche de amor una noche passion
can I have this love forever
oh baby let me know

una noche de amor una noche passion
can I have this love forever
oh baby let me know
una noche de amor una noche passion
can I have this love forever
oh baby let me know

tell me is this love,
tell me is this love,
tell me is this love
baby let me know
tell me is this love,
tell me is this love
baby let me know
mi amor, mi amor,
mi amor dame otra noche

noche de passion
una noche de amor
baby let me know
