

Grace of God

Lord Belial

Grace of God show no mercy

Liar!

Holy priest attempts to walk athwarts the sea, with gusto to the truth

Sinner!

Jesus Christ believer

In remembrance of the holy god, we walk among you Jesus Christ

In the grace of god, the almighty father

"Amen"

Christianity-Christ insanity, a germ of death

Lay down your soul and follow the ten commandments to the end

Realise the truth-rotting Christ

Fucking quandary

Never to be fooled

Never to arise
