

## Monarchy of Death

Lord Belial

Apparition and sinful souls gather  
Have knowledge of thine providence  
Mischievous specters shall heed thy call  
Bestow to the world thine dominion

Irreverent dominion  
Monarchy of the dead  
Irreverent dominion  
Kingdom of death

Submit, you conquered ones; down on your knees  
Offer yourselves as the insignificant breed

Evil souls lost from ancient battles gathers  
Alteration begins, shells of dying men increase  
Shallow graves widen from horizon to horizon  
Irreverent dominion - a monarchy of death

Irreverent dominion  
Monarchy of the dead  
Irreverent dominion  
Monarchy of Death

Apparition and sinful souls gather  
Have knowledge of thine providence
