

# The Stranger

Lord Huron

I can't trust anyone, no anything these days  
If you are who you say you are then show me your face  
Came out of the ocean like you came out of a dream  
Your voice it sounds familiar but you are not what you  
seem

All words of comfort can not take away my doubt  
I decided if it kills me I'll find out what you're  
about  
I can't trust anyone, no anything these days

But I know what you want and why  
Of all the strangers you're the strangest that I see  
I'm not afraid to die  
I can't trust anyone, no anything these days

You are not the one you say you are  
You are not the one you say you are

I can't trust anyone, no anything these days  
If you are who you say you are then show me your face  
No one else will say you are not what you claim to be  
Well I've kept ? ? ? ? watch and I don't like what I  
see

Can't escape the feeling that you give me in the night  
I'll sleep with one eye open, and I'm not afraid to  
fight  
I can't trust anyone, no anything these days

But I know what you want and why  
Of all the strangers you're the strangest that I see  
I'm not afraid to die

I can't trust anyone, no anything these days  
Know what you want and why  
Of all the strangers your the strangest that I see  
I'm not afraid to die

I can't trust anyone no anything these days

You are not the one you say you are  
You are not the one you say you are

You are not the one you say you are  
You are not the one you say you are

Now that I've seen your face I'm haunted by the letters  
of your name  
Now that I've seen your face I'm haunted by the letters  
of your name  
Now that I've seen your face I'm haunted by the letters  
of your name  
Now that I've seen your face I'm haunted by the letters  
of your name
