

## Time To Run

Lord Huron

It's time to run, they'll string me up for all that I've done  
I'm going soon, gonna leave tonight by the light of the moon  
I did it all for you, well, I hope you know the lengths I've gone to  
What's a man to say, they'll be looking for me, should be on my way

Ooh, ooh, ooh, ooh, I wanted everybody else in the world to know  
Ooh, ooh, ooh, ooh, I wanted everyone to know that you're the girl for me  
Ooh, ooh, ooh, ooh, I wanted everybody else in the world to know it  
Ooh, ooh, ooh, ooh, but I ain't ever gonna let 'em take my life from me

I've no regrets, I will not ask for your forgiveness  
Lower your defense, run away with me and it'll all make sense  
I did it all for you, don't spurn me after all I've gone through  
No time to rest, I'm gonna find me a life, baby, way out west

Ooh, ooh, ooh, ooh, I wanted everybody else in the world to know  
Ooh, ooh, ooh, ooh, I wanted everyone to know that you're the girl for me  
Ooh, ooh, ooh, ooh, I wanted everybody else in the world to know it  
Ooh, ooh, ooh, ooh, I ain't never

I will run but I know that I'm beat  
I decided my fate with my deeds  
I will run but I know that I'm beat  
I decided my fate with my deeds

It's time to run, well, I hope you understand what I've done  
Run away for you, I'm gonna count the days 'til you make it through  
I did it all for you, well, I hope you live the life you want to  
My time is spent, baby, please don't tell 'em just where I went

Ooh, ooh, ooh, ooh, I wanted everybody else in the world to know  
Ooh, ooh, ooh, ooh, I wanted everyone to know you're the girl for me  
Ooh, ooh, ooh, ooh, I wanted everybody else in the world to know it

Ooh, ooh, ooh, ooh, but I ain't ever gonna let 'em take the life from me

Ooh, ooh, ooh, ooh, I wanted everybody else in the world to know it

Ooh, ooh, ooh, ooh, I wanted everyone to know you're the girl for me

Ooh, ooh, ooh, ooh, I wanted everybody else in the world to know it

Ooh, ooh, ooh, ooh, I ain't never
