

## Black Lolita

Lord Of The Lost

Black Lolita - You're not a creature of god  
Black Lolita - You have been sent from the dark  
Black Lolita - Came to seduce and to trap  
Black Lolita - Apples of eden in straps

I wanna penetrate your lips your hips your heart  
I wanna do you in the backyard skid row  
I wanna love you in your parents bedroom  
You look so innocent but you're the devil

Black Lolita - I am a slave to your love  
Lolita - I am a slave  
A slave to your love

I wanna beat inside your chest your breasts your heart  
I wanna crawl under skin and explode  
I wanna pick you up when school is over  
You give a helping hand but you're so evil

Black Lolita - I am a slave to your love  
Lolita - I am a slave

And she tells me  
I don't care I don't care how old you are  
You are a slave to my love  
I don't care I don't care how old you are  
You will obey when I beg you to  
Fuck me hard

I am a slave to your love  
Lolita - I am a slave  
A slave to your love
