

# Fists up in the Air

Lord Of The Lost

No one tells what we have to do  
We say that no one tells  
What is fake or true  
We're singing "no!"  
Beware!  
We're singing "no!"  
Raise your fists up in the air!

We walk by faith - fists up!  
And not by side - fists up!  
We remain silent - fists up  
Till the time is right  
Ohhh!

We will not surrender - fists up!  
We will stand as one - fists up!  
We won't break under torture - fists up!  
We avow for what we've become!  
Ohh!

We are proud!  
We are strong!  
Shout it out loud:  
"We are one!"

No one tells what we have to do  
We say that no one tells  
What is fake or true  
We're singing "no!"  
Beware!  
We're singing "no!"  
Raise your fists up in the air!

Hey! Hey! hey!  
Fists up in the air!  
Hey! Hey! hey!  
Fists up in the air!

We don't pray for forgiveness - fists up!  
We won't kneel down and lose - fists up!  
We stand up for awareness - fists up!  
Your stupidity is no excuse!

We are proud!  
We are strong!  
Shout it out loud:  
"We are one!"

No one tells what we have to do  
We say that no one tells  
What is fake or true  
We're singing "no!"  
Beware!  
We're singing "no!"  
Raise your fists up in the air!

Hey! Hey! hey!

Fists up in the air!  
Hey! Hey! hey!  
Fists up in the air!

Fists up in the air!  
Fists up in the air!

We are proud!  
We are strong!  
Shout it out loud:  
"We are one!"
