

Kingdom Come

Lord Of The Lost

We cannot wait till kingdom come
We cannot wait till kingdom come

Naked I came from mother's womb
And dressed to kill I will depart
I will not give but I will take
And may my people's names be praised

We cannot wait till kingdom come

Where is the wise? Where is the scribe?
Where the disputer of this world?
Who finds delight in killing scum?
We cannot wait till kingdom come

Blow me a kiss before I leave
Before we're running out of time
Give me a reason to believe
Before, before I die
We cannot wait till kingdom come
Until were running out of time
Give me a reason to be strong
Before, before I die

We cannot wait till kingdom come

You say the foolishness of God
Is so much wiser than all men
So may my God's will always be punned
And fucking shallowed be thy name

Blow me a kiss before I leave
Before we're running out of time
Give me a reason to believe
Before, before I die
We cannot wait till kingdom come
Until were running out of time
Give me a reason to be strong
Before, before I die
Before I die
Before I

Let loose and jump the gun
Until our worlds collide
Let's fuck the priests and nuns
And nail them to the cross of light

Blow me a kiss before I leave
Before we're running out of time
Give me a reason to believe
Before, before I die

We cannot wait till kingdom come

Until were running out of time
Give me a reason to be strong
Before, before I die

Before I die
Before, before I die

Below me a kiss before I leave
Before, before I die
Give me a reason to believe
Before, before I die
