

# My Own Shadow

Lord Of The Lost

Raise your voice if you think you hate me  
Raise your hands if you want to take me  
Out of my misery  
Wanna do good to me

Turned his head and I've got to turn mine  
Wasted his and I'm wasting my time  
I've had enough of wasting mine

I'm my my my my  
my own shadow  
And I hate the one I follow  
The one I follow  
And my my my my  
my own shadow  
Needs another one to follow  
I'm not that hollow

Raise your finger if you're a hater  
Raise your fist against your dictator  
Come show me yours I'll show you mine

I'm my my my my  
my own shadow  
And I hate the one I follow  
The one I follow  
And my my my my  
my own shadow  
Needs another one to follow  
I'm not that hollow

From the flame into the fire  
I am paralyzed in my my my own shadow  
From the rain into the flood  
You'll find me paralyzed in my my my...  
Can't break the shell  
Of my own hell  
I'm paralyzed in my own shadow  
Raise your voice if you think you hate me  
Raise your hands if you want to take me

I'm my my my my  
my own shadow  
And I hate the one I follow  
The one I follow  
And my my my my  
my own shadow  
Needs another one to follow  
I'm not that hollow
