

I love your plastic smile  
And the pillows in your tits  
Come on let's save up for a while  
It's so easy to be twice that hip  
The spokesman for the dumb  
He used to be everybody's fool  
As honest as a gun  
Fraudulent but looks so cool

Fuck me in the face  
Fuck my ears, motherfucker  
Don't let go, teach me how to know better  
Now fuck me in the face and don't forget my brain  
Yeah fuck me in the face  
And don't let go  
Don't let me get away  
And don't let go  
Now fuck me in the face

Fuck me in the face  
Plese, mommy, let me run  
I wanna play the game the big boys play  
Just pass me my toy gun  
And drink yourself the pain away  
Before we die and fall full of agony and hate  
There's something to recall  
Beyond this make up masquerade

Fuck me in the face  
Fuck my ears, motherfucker  
Don't let go, teach me how to know better  
Now fuck me in the face and don't forget my brain  
Yeah fuck me in the face  
And don't let go  
Don't let me get away  
And don't let go  
Now fuck me in the face

Fuck me in the face  
And don't let go  
Don't let me get away  
And don't let go  
Now fuck me in the face  
And don't let go  
And don't let go  
Now fuck me in the face  
Now fuck me in the face
