

Prologue

Lord Of The Lost

Before my eyes
I see you
I feel you
But still I can not have you
I want you
To want me
To want you
Betray me, save me

Lying face down
Below ground
My breakdown

Ohhhh

Lying face down
Below ground
My breakdown

No I don't,
Don't want you
To tell me
The hard truth
I beg you
Belie me,
I suffer,
Just try me,
Betray me, save me

Lying face down
Below ground
My breakdown

Ohhhh

Lying face down
Below ground
My breakdown

Ohhhh

Lie to me (Lie to me)
Set me free (Free)

Say that you're falling in love
Save me from falling and falling apart
