

Reprise: Sober

Lord Of The Lost

I have reached the bottom.
I can't see the sky.
I am down so low,
wanna be so high.

I'm not strong enough for love.
I am trying to get sober.
I can never get enough.
I am trying to get in touch.
Not just waiting till it's over.

I have reached the bottom.
I have touched the ground.
All my plan forgotten.
All my courage down.

I'm not strong enough for love.
I am trying to get sober.
I can never get enough.
I am trying to get in touch.
Not just waiting till it's over.

All these empty faces.
They're just walking by.
I don't even care.
I can't even cry.

I'm not strong enough for love.
I am trying to get sober.
I can never get enough.
I am trying to get in touch.
Not just waiting till it's over.
