This Is A War

Politicians for the hollow people, try to fill them with pills and ne edles

narcisstic fake correction, after judging the next injection infest, ivasion, martyrs, heretics, lies, crucifixions, stonings and ethics

religious and fascists around the zodiac, payed by the poor for more crabs and crack

deface the world's defective space, say educate and ejaculate This shit we call the human race, smell your flesh, taste your decay as long as you remember your name

We will fall in the blackest void, a battlefield full of little boys maybe perversion saves the end, we sell our souls with no repent we're the wheels in the death machine we're just models without faces in a world so clean

there's only lies in our descent, we lose the war with no defense

porno children young and delicious, so full of unfilled sexual wishes callboys for the family daddies, some like it facial, some interracia $\ensuremath{\mathsf{l}}$

talkshows for the hard worn nation, talking about morals and masturba tion

it's public suicide, to say that TV has ever lied

We will fall in the blackest void, a battlefield full of little boys maybe perversion saves the end, we sell our souls with no repent we're the wheels in the death machine we're just models without faces in a world so clean there's only lies in our descent, we lose the war with no defense

I can't see what I'm fighting for, can't believe that I will find an $\mbox{\it end}$

I can't see what I'm dying for, God release me just this time

I died last night shot from behind

I died last night, haven't seen the signs

I died last night shot from behind

I have to fight but I died last night

In silence we pray, break down on our knees but what if we fail, we'll never be free In silence we pray, in humility but what if we fail, we'll never be free

This is a war

We will fall in the blackest void, a battlefield full of little boys maybe perversion saves the end, we sell our souls with no repent we're the wheels in the death machine we're just models without faces in a world so clean there's only lies in our descent, we lose the war with no defense

For God so loved the world that he gave his only begotten son that whosoever believeth in him should not perish but have everlasting ${\tt DEATH}$
