Supercut

In my head, I play a supercut of us All the magic we gave off All the love we had and lost And in my head The visions never stop These ribbons wrap me up But when I reach for you There's just a supercut

In your car, the radio up In your car, the radio up We keep trying to talk about us I'm someone you maybe might love I'll be your quiet afternoon crush Be your violent overnight rush Make you crazy over my touch

But it's just a supercut of us Supercut of us Oh it's just a supercut of us Supercut of us

So I fall Into continents and cars All the stages and the stars I turn all of it To just a supercut

Cause in my head (in my head, I do everything right) When you call (when you call, I'll forgive and not fight) Because ours (are the moments I play in the dark) We were wild and fluorescent, come home to my heart, uh

In your car, the radio up In your car, the radio up We keep trying to talk about us Slowmotion, I'm watching, I love I'll be your quiet afternoon crush Be your violent overnight rush Make you crazy over my touch

But it's just a supercut of us Supercut of us Oh it's just a supercut of us Supercut of us But it's just a supercut of us Supercut of us Oh it's just a supercut of us Supercut of us

Cause in my head, in my head, I do everything right When you call I'll forgive and not fight All the moments I play in the dark Wild and fluorescent, come home to my heart
