

Babes For Breakfast

Lordi

It's a bounty of meat?
It's all you can eat
they'll never see through my disguise,
I'll season them all with my special sauce,
I'll bang their flesh to tenderise

Babeeeeeeeeeeez, babes for breakfast,
and bitches for brunch,
Babeeeeeeeeeeez, babes for breakfast,
and more sluts for lunch

Babes for breakfast,
bitches for brunch,
Babes for breakfast,
bitches for brunch

The harder they come,
the stronger I'll be,
I feel my confidence rise,
I give them everything,
they came to see,
yeah, I've got nothing to hide!

Babeeeeeeeeeeez, babes for breakfast,
and bitches for brunch,
Babeeeeeeeeeeez, babes for breakfast,
and more sluts for lunch

Babes for breakfast,
bitches for brunch,
Babes for breakfast,
bitches for brunch,
Babes for breakfast,
bitches for brunch,
Babes for breakfast,
bitches for brunch

Never caught 'em, god,
never let them see behind the mask at all, NO!
I keep it up, my mark,
The item must never ever go

Babeeeeeeeeeeez, babes for breakfast,
and bitches for brunch,
Babeeeeeeeeeeez, babes for breakfast,
and more sluts for lunch

Babes for breakfast,
bitches for brunch,
Babes for breakfast,
bitches for brunch,
Babes for breakfast,
bitches for brunch,
Babes for breakfast,
bitches for brunch

Babes for breakfast,
bitches for brunch,
Babes for breakfast,
bitches for brunch,
Babes for breakfast,
bitches for brunch,
Babes for breakfast,
and more sluts for lunch!
