

# Candy for the Cannibal

Lordi

The town went silent as I walked out today  
My family didn't have a thing to say  
I see the neighbors are avoiding my looks  
they know my story as it's all in the books, yeah

But I am happier then ever before  
Cause I'm grown man candy story  
I know this feeling might not last for long  
I know my urge and it's way too strong

I know I should not do my thing, no, no  
But you look so damn mouth watering

You're the ca-ca-candy for the ca-cannibal  
Won't you co-co-come on trust the a-animal  
You're my t-t-tasty little t-t-t-treat  
Sweetie candy  
You're the ca-ca-candy for the ca-cannibal  
You'll go d-d-down cause you're so e-edible  
I'll be t-t-tenderizing you m-m-meat  
Meaty candy to me

(I just love that meaty candy)

I keep my distance when observing the girls  
They make me feel like I'm alone in this world  
Some call it stalking I say shopping's the word  
And when I'm shopping girls are bound to get hurt

I know I should not do my thing, no, no  
But you look so damn mouth watering

You're the ca-ca-candy for the ca-cannibal  
Won't you co-co-come on trust the a-animal  
You're my t-t-tasty little t-t-t-treat  
Sweetie candy  
You're the ca-ca-candy for the ca-cannibal  
You'll go d-d-down cause you're so e-edible  
I'll be t-t-tenderizing you m-m-meat  
Meaty candy to me

I am simply a man but they call me the Beast  
Oh why can't they understand a man's just gotta eat

Death row went silent as I walked in today  
The warden did not have a thing to say  
I watch the prisoners avoiding my looks  
I'm going shopping for the last meal I cook

You're the ca-ca-candy for the ca-cannibal  
Won't you co-co-come on trust the a-animal  
You're my t-t-tasty little t-t-t-treat  
Sweetie candy  
You're the ca-ca-candy for the ca-cannibal  
You'll go d-d-down cause you're so e-edible  
I'll be t-t-tenderizing you m-m-meat  
Meaty candy to me
