

# I Am Bigger Than You

Lordi

Entering my Hellywood Hills  
The vulture is moving in for the kill  
Faces of the prey turning white (Ah)  
My maw was ready to bite

Put your hands up nobody moves  
k-k-k-k-kill and start the grove

Buhu Buhu I'm bigger than you!  
Buhu Buhu yeah, you!  
Buhu Buhu I do what I want to!  
Buhu Buhu and I want to do you!

Yeah!

Hang yourself up high on the hooks  
The more skin rips, the better it looks  
You're free to scream whatever you feel (Uh!)  
I guess your under my heel

Put your hands up nobody moves  
k-k-k-k-kill and start the grove

Buhu Buhu I'm bigger than you!  
Buhu Buhu yeah, you!  
Buhu Buhu I do what I want to!  
Buhu Buhu and I want to do you!

I'm Bigger Than You!

All your clothes are torn and tattered,  
Broken fingers, teeth all shattered  
When you're body meets my eyes' trail,  
There are morals I can fill  
Now let's get busy!

(Solo)

Buhu Buhu I'm bigger than you!  
Buhu Buhu yeah, you!  
Buhu Buhu I do what I want to!  
Buhu Buhu and I want to do you!

Buhu Buhu I'm bigger than you!  
Buhu Buhu yeah, you!  
Buhu Buhu I do what I want to!  
Buhu Buhu and I want to do you!

I want to do you!

Hey!
