

## Pet The Destroyer

Lordi

Its breath intoxicating  
Its ego suffocating  
It's here in my house -  
Tryin' to get out

Its moves exhilarating  
Tempers infuriating  
It's no sage -  
Rampage the cage

But you'll be safe  
You can feed it - you wanna play?  
It's almost tamed

Pet the destroyer  
My beast Le royal  
Pet my destroyer  
Sweet killing machine  
Oh wont you please meet the beast?

Its stare infatuating  
I'm not exaggerating  
It breaks off the leash  
Creature released

Its jaws intimidating  
Rage indiscriminating  
It looks kinda mad -  
(well this) looks kinda bad

This isn't safe, NO!  
I can feel it  
This isn't play  
It can't be in tamed

Pet the destroyer  
My beast le royal  
Pet my destroyer  
Sweet killing machine  
Oh wont you please meet the beast?  
Oh wont you please feed my beast?
