Pet The Destroyer

Its breath intoxicating Its ego suffocating It's here in my house -Tryin' to get out

Its moves exhilarating Tempers infuriating It's no sage -Rampage the cage

But you'll be safe You can feed it - you wanna play? It's almost tamed

Pet the destroyer My beast Le royal Pet my destroyer Sweet killing machine Oh wont you please meet the beast?

Its stare infatuating I'm not exaggerating It breaks off the leash Creature released

Its jaws intimidating Rage indiscriminating It looks kinda mad -(well this) looks kinda bad

This isn't safe, NO! I can feel it This isn't play It can't be in tamed

Pet the destroyer My beast le royal Pet my destroyer Sweet killing machine Oh wont you please meet the beast? Oh wont you please feed my beast? Lordi
