

Horror Movie

Lords of Acid

I wanna go see a horror movie
On Friday 13th with Christopher Lee
He's just the coolest, he's freaking my mind
He gives me shivers up and down my spine

I'm watching Zombies on a big white screen
Killer tomatoes and murdering bees
I look at Goldblum turning into a fly
And Norman Bates chasing girls with a knife

Chorus:

I wanna go see a horror movie
I wanna date with Christopher Lee
I wanna go see a horror movie
And down on Elmstreet we'll have a party
