

## I Like It

Lords of Acid

I came home the other night  
And imagine my surprise  
I found my boyfriend in my clothes  
In my brand new panty hose  
It struck me crazy, so to say  
But he kinda looked good in a way  
So then I said: that's how it goes  
and showed him how to strike a pose

I Like It! Hey, hey, hey  
I Like It! He's kinda kinky in a way  
I Like It! Hey, hey, hey  
I Like It! He's kinda kinky in a way

Now we go shopping every day  
trying out sexy lingerie  
Then we take our dinner on the town  
Seek someone special to play around  
We work it hard when we play  
Make them hot, then break away  
Laughing hard as we go  
For them it's real. For us a show...

I Like It! Hey, hey, hey  
I Like It! He's kinda kinky in a way  
I Like It! Hey, hey, hey  
I Like It! He's kinda kinky in a way

In six inch pumps and mini-skirts  
We're always game for a flirt  
Fending off all those silly guys  
Giggling at their see-through lines  
Ever so often there'll be one  
that we'll take home to have some fun  
Be gentle if you roll the dice  
You might come home to a surprise

I Like It! Hey, hey, hey  
I Like It! He's kinda kinky in a way  
I Like It! Hey, hey, hey  
I Like It! He's kinda kinky in a way
