

# Out Comes The Evil

Lords of Acid

Half a pound of tuppenny rice  
Half a pound of treacle  
That's the way the melody goes  
Pop goes the weasel

Half a pound of tuppenny rice  
Half a pound of treacle  
That's the way the melody goes  
Pop goes the weasel

Half a pound of heroin  
Half a pound of treacle  
That's the way the story goes  
Out comes the evil

Feels so good, feels so bad  
Feels so good, feels so bad

Half a pound of heroin  
Half a pound of treacle  
That's the way the story goes  
Out comes the evil

Feels so good, feels so bad  
Feels so good, feels so bad

Half a pound of heroin  
Half a pound of treacle  
That's the way the story goes  
Out comes the evil

Feels so good, feels so bad
