

# Spank My Booty

Lords of Acid

Spank my booty, come on and spank my booty  
Spank my booty, spank my booty real good

When I was a kid I was a lazy child  
Always skipping school, I was really wild  
My poor old dad, he went insane  
'Cause of his little bitch and her love with pain  
So my daddy, he spanked my butt  
He turned me into his super spanky slut  
I begged him for his mercy with tears in my eyes  
He didn't know that he just showed me paradise

Spank my booty, come on and spank my booty  
Spank my booty, spank my booty real good

Spank my booty, come on and spank my booty  
Spank my booty, spank my booty real good

Then I met my boyfriend, he was almost 85  
Crawling on the floor he knew all about life  
I was feeling horny and just couldn't resist  
I had to have him beat me with his manly fist  
I started bleeding badly, love at first strike  
Since that romantic moment I crawled by his side  
But just the other day I hit him right back  
The poor old bastard got himself a heart attack

Spank my booty, come on and spank my booty  
Spank my booty, spank my booty real good

Spank my booty, come on and spank my booty  
Spank my booty, spank my booty real good

Now I'm a little older and addicted to the whip  
When I'm chained to the wall I feel mighty hip  
Rings in my nipples, metal in my cheek  
I'm the queen of the club, I look really chique  
I'll need to be whapped, hm, I love that stuff  
Some good ol'fashioned beating, can't get enough  
I still beg my dad on my two bare knees  
Oh cruel daddy, come and spank me please

Spank my booty, come on and spank my booty  
Spank my booty, spank my booty real good

Spank my booty, come on and spank my booty  
Spank my booty, spank my booty real good

Spank, spank, spank, spank

Spank my booty, come on and spank my booty  
Spank my booty, spank my booty real good

Spank my booty, come on and spank my booty  
Spank my booty, spank my booty real good
