

# The Power Is Mine

Lords of Acid

I know what you like  
I know what you need  
You want to hear me suffer?  
You hold my seat  
I kiss the leather of your high heeled shoes  
I lick the spaces that you choose  
I can see you reaching out for me  
I crawl like a lamb that's my destiny  
When it's over I'm back in my cave  
Cause you're my master and I'm your slave

Dance the dance of lovers  
I don't need no other  
To ride the waves of pleasure and pain  
Come on boy obey me  
Lick my boots to please me  
Maybe I will loosen your chains

I can break your will  
I can make you kneel  
I can force you to crawl  
And to lick my heels  
Cause the power is mine  
Power is mine, power is mine

You need to be punished  
And it will never finish  
You are just a dog on a leash  
Lick me baby lick me  
Let me make you happy  
But only if you're begging me 'please'

I can break your will  
I can make you kneel  
I can force you to crawl and to lick my heels  
Cause the power is mine  
Power is mine, power is mine  
Power is mine, power is mine

I know what you want  
I know what you need  
I can tell you by your side  
The way that you breathe  
Passionate love, lust and bone  
I can feel the blood

Pumping in your veins  
I feel your nails, going in my chest  
No time to relax, no time to rest  
I want to be punished I have to obey  
Cause you're my master  
And I'm your slave
