

Second Nature

Lorene Drive

Oh God here we go again
Coming up with the latest trends
'Cause God knows that I can't go out of style
Oh damn just look at me
What a guy, what a sight to see
A mother once said that I had a heart of gold

Oh God here I go again
My fashion sense is heaven sent (heaven sent)
I should get paid just to walk you down the aisle
(Just to walk you down the aisle)
Come on mam just look at me
I'm no doctor, no law degree
But I can tell you right now

No one cares about what you're wearing now
I've got a feeling yeah, I've got this feeling

This is a second nature
I can't say I'd love to hate
The color of your magazine
The balance in your color scheme
Backstage, front page yeah
America just sold it's culture for cash
So let's give it back (let's give it back)
So let's give it back, yeah

Oh God here I go again
I'm coming up with the latest trends
'Cause God knows that I can't go out of style, woah yeah
Oh damn just look at me
What a guy, what a sight to see
A mother once said that she loved my smile

No one cares about what you're wearing now
I've got a feeling yeah, I've got this feeling

This is a second nature
I can't say I'd love to hate
The color of your magazine
The balance in your color scheme
Backstage, front page yeah
America just sold it's culture for cash
So let's give it back (let's give it back)

I can't say I'd love to hate
The color of your magazine
The balance in your color scheme
Backstage, front page yeah
America just sold it's culture for cash

So you want a revolution
It doesn't mean a thing
Backstage, front page yeah (So you want a revolution)
America just sold it's culture for cash
So let's give it back (Hey [x12])
