

## ain't Love A Good Thing

Loretta Lynn

Blues go ahead and knock upon my door you can't hurt me anymore  
Um-um ain't love a good thing  
Rain go ahead and let it rain all night in the morning I'll be  
dry  
Um-um ain't love a good thing  
Ain't it good to know love can take away the rain  
And make the sunshine again  
And ain't it good to know love can take a lonely dream  
And turn it into a real thing  
Um-um ain't love a good thing um-um ain't love a good thing  
Pain find yourself another heart to ache and another mind to br  
eak  
Um-um ain't love a good thing  
Time find yourself another fool to waste and another place to s  
tay  
Um-um ain't love a good thing  
Ain't it good to know...  
Um-um ain't love a good thing  
Ain't love a good thing good thing  
Ain't love a good thing
